

PRESS RELEASE**ESTIMATES OF SELECTED FINANCIAL DATA OF THE ES-SYSTEM GROUP FOR Q1-Q3 2017****Growing revenues and a surge in profits**

In million PLN	Q1-Q3 2017	Q1-Q3 2016	Change %
Revenue from sales	136	127.7	6.5%
EBIT	4.6	0.95	383.2%
Net profit	4.8	1.28	271.1%

“We are optimistic about the level of sales achieved by ES-SYSTEM in the first three quarters of this year. We’ve recorded a surge in profits, which was the result of revenue growth and a positive result on other operating activities,” commented Rafał Gawrylak, President of the ES-SYSTEM S.A. Management Board.

In Q1-Q3 2017, the ES-SYSTEM Group generated revenues amounting to 136 million PLN, i.e. a 6.5% increase y/y. The EBIT for this period came in at around 4.6 million PLN compared to 0.95 million PLN in the first three quarters of 2016. The net profit in Q1-Q3 of this year amounted to 4.8 million PLN, which denotes an increase by 271.1% compared to the corresponding period in the previous year.

The change in consolidated operating profit is mainly attributable to the increase in sales, margins, and the positive result on other operating activities.

The presented values are estimates and may change and differ from the values that will be published in the consolidated financial statements for the third quarter of 2017. The publication of the interim report is scheduled for November 15, 2017.
